Peer Tutoring

What is Peer Tutoring?

Peer tutoring is a program in which students are tutored by other students

It provides an opportunity to learn from your classmates and peers who are familiar with the course content

Peer tutoring allows for first language support from other students from your region if necessary

How Does it Work?

Students fill out the sign up form posted on Moodle

→

Whether you need a tutor or want to be one it is all the same form

→

Students will be matched based on the information they provided
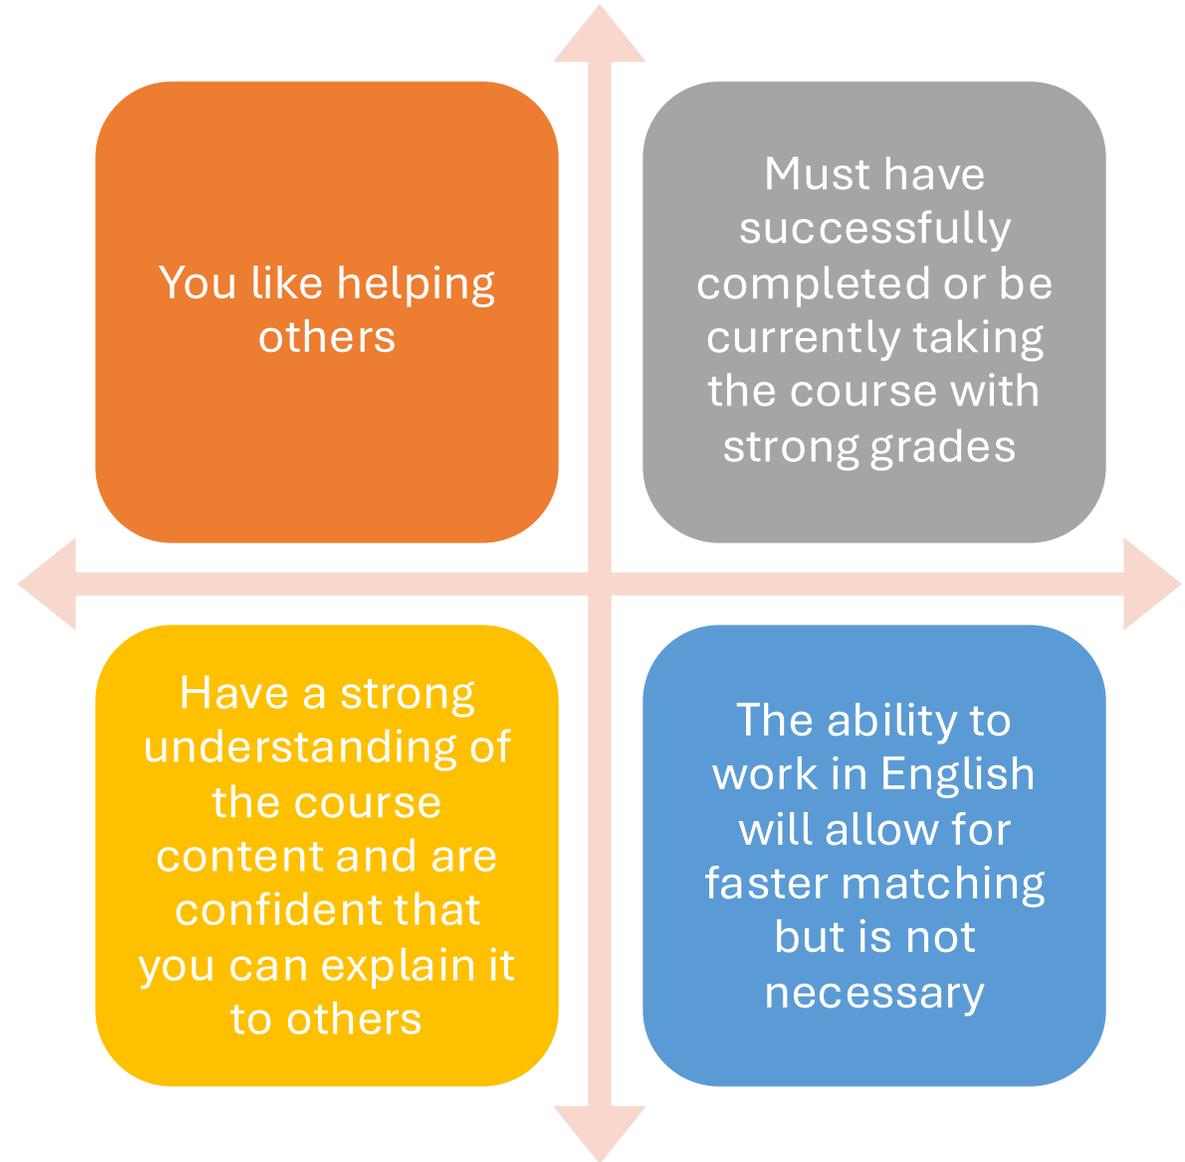

↓

Peer tutoring can begin!

←

Once connected students can arrange their own schedules and meet up times as needed

←

Students will receive an email with contact information

Who can be a tutor?

You like helping others

Must have successfully completed or be currently taking the course with strong grades

Have a strong understanding of the course content and are confident that you can explain it to others

The ability to work in English will allow for faster matching but is not necessary

Peer Tutoring for Community Service Hours

Peer tutoring must be done in an approved common area between **8:00am-9:30pm Sunday-Thursday** and **8:00am-10:30pm Friday-Saturday**

It provides an opportunity to learn from your classmates and peers who are familiar with the course content

Peer tutoring allows for first language support from other students from your region if necessary
